\$24,500

BUILD DETAILS:

DINETTE

- Dinette seats 4-6
- 38" Table with Lagun 360 Degree Swivel Mount

- Dinette Coverts into 50"x74.5" Bed

- LED Puck Lighting in 3 Zones with a Dimmer Switch for Dinette/Bed

- Led Lights in Rear Doors for use with Rear Drawer At Night

- 4" Upholstered Foam. Your choice of color & style of fabric. Outdoor Sunbrella fabric standard.

DINETTE CONT.

- Storage Under Each Bench.
- Left Bench closed storage compartment
- Right Bench Full access for longer items to slide in.

- Everything is made from 12 ply high quality Baltic birch plywood and is covered on the outside with Formica laminate. Formica is easy to clean and will stand up to years of bumps and scrapes. The interior of the cabinets have been stained to bring out the beauty of the birch.

- 4ft Rear Pullout Gear Drawer with a hidden table pocket. 400lb capability. Southco Lock. Includes 2 keys.

GALLEY

- Galley with 33" Countertop (*you choose colors*)
- 2 Drawers
- Cabinet with 3 Adjustable Shelves
- Dometic 65 Liter Fridge with Freezer (*option to upgrade*)

- Sink Cabinet with Stainless Steel Sink and Faucet
- 12v Water Pump with 10+ Gallon Fresh Water Capacity
- 5 Gallon Grey Water Tank
- Cassette Toilet

KIDS BED

To fully utilize all the space that the van offers, there is a bed that fits on the front seats and folds up against the side wall when not in use. The mattress is stored on the overhead shelf above the driver.

- Front Kids Bed platform with Cushion (37"x 60")

- Platform is stored securely against the wall.

- Platform folds out and rests on a custom mount that sits on the front seat rails. Push your front seats back and it's very secure.

- Includes a 3" cushion that is stored in the overhead shelf

ELECTRICAL

- 08-'18 Battery is mounted under the hood with the Adventure wagon dual battery tray with 2 - 6-volt AGM batteries. 220 amp hours.

- '19-'23 Battery is mounted in the storage space under the dinette.

- Professional install
- Battery to battery charger.
- Easy access to fuse panel mounted in storage compartment of dinette.
- Blue Sea electrical components & Ancor Duplex wire used throughout van. Only the best!
- 2 USB outlets in dinette area and 2 in driver's seat base for rear seat.
- 12V power source in back dinette storage area.
- Espar Diesel Heater that will be plumbed to the fuel tank with control panel for easy control. *(Must have a diesel Sprinter to include heater)*

- For Inverter, Solar, & Lithium see upgrades page

FAN

- To help ventilate when cooking and general air movement, there is a Maxxair fan installed over the dinette that can be controlled by a remote. It also has two vent inserts for the front windows. These allow the fan to pull or push a nice breeze through the van. 10 speed.

INSULATION

- Thinsulate Insulation. All walls, doors, and panels are fully insulated for a 4 season camper.

FLOORING & TRIM

- Outdoor Rubber bottom Carpet tiles & Powder Coated trim
- Your choice of color/style

• For rubber flooring see upgrades page

EXTRA STORAGE

- Sliding Door Step Pocket

- 2 extra storage bins for under the 3 seater
